

PESCADOR

Cruise, explore and fish with kayaking's most well-rounded family of performers.

Comfortable, stable, durable and safe, the Pescador family of kayaks is the perfect choice for any level of kayaker.

HI LIFE

All the fun of kayaking and stand up paddle boarding combined in one.

The Perception Hi Life is the most versatile boat ever built, offering a sit-on-top design that can be paddled like a kayak or a stand up paddleboard.

perception[®] KAYAKS

THE PERCEPTION DIFFERENCE

We're a company of passionate kayakers that proudly design, mold and hand assemble every Perception kayak in Greenville, South Carolina. In every model and size, Perception kayaks are known for personal touches that make kayaking fun for paddlers of all experience levels.

- The most comfortable, versatile, durable, safe and easy paddling kayaks in the industry
- Leak-proof, one-piece design made possible by our proprietary resin and rotational molding process
- Precisely controlled hull thickness adds strength and stability where needed, without added weight
- Unmatched UV, impact- and abrasion-resistance
- Recyclable materials

MOST COMFORTABLE

- + Back-friendly seats
- + Superior cushioning
- + Best-in-class ergonomic support
- + All-day comfort
- + Large open cockpit
- + Easy on legs

MOST STABLE

- + Easiest to enter/exit
- + Steady on-water feel
- + Most secure paddling experience
- + World-class design and engineering

SAFEST

- + Leak-proof one-piece construction
- + Built-in buoyancy
- + Confidence-inspiring paddling
- + Permanent U.S. Coast Guard compliant hull identification number

MOST DURABLE

- + Highest UV, impact and abrasion resistance
- + Proprietary high-density polyethylene
- + Industry leading rotational molding process
- + Wear-proof colors and graphics

Maximum capacity without compromising performance

ACCESSORIES

Introducing fun and functional Perception Kayak accessories – everything you need to enhance your on-water experience!

PERCEPTION UNIVERSAL PADDLE
Optimized blade design allows you to paddle faster and more efficiently.

PESCADOR PADDLE
Better control for heavier fishing kayaks. Up to 20 cm adjustment.

HI LIFE PADDLE
Easy-adjust, 3-piece design. Use while standing or sitting. Aluminum with fiberglass-reinforced blades.

BILGE PUMP
Helps keep you dry and safe on open water. Expels water on both upward and downward strokes.

PADDLE & ROD LEASH
Securely tethers your paddle, fishing rod or other accessories for a worry-free trip on the water.

SPONGE
Absorbs up to 1 liter of water. Crushes down for storage.

LARGE CART W/ FLAT-FREE WHEELS
Easily transport your kayak from the car to launch and back.

TIE DOWN STRAPS
Two-pack, heavy-duty 1" wide webbing straps secure kayaks, canoes and SUP boards up to 800 lbs.

SOLO MOUNTS
Customize select Perception kayaks with RAM gear. No drilling, cutting or hardware needed.

ROD-X PRO
Extends the length of your molded-in rod holder to better secure your fishing rod on select kayaks.

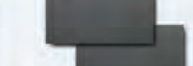

ANCHOR TROLLEY KIT
Deploy your anchor from the cockpit of your kayak. Easy installation and compatible with the Perception Anchor.

ANCHOR
Keep your kayak from drifting off course. Folding/locking design works on all types of bottoms.

SCUPPER HOLE PLUGS
Enjoy your sit-on-top kayak in cold water. Finger pull tabs for quick draining.

SILENT TRACTION KITS
Simple peel & stick foam panels deaden sound on fishing kayaks. Precision cut to fit specific models.
