TRIUMPH 13.0

The Triumph is a breath of fresh air to the sit-on-top world, proving that performance is not something only offered in a sit-inside kayak. Evolved from the touring line, it is speedier and easier to paddle than other sit-on-top kayaks. The molded-in kid's seat, cup holder and ample flat locations add versatility and maintenance-free ease for fishing, camping, bird watching or any type of activity in the ocean swell, lakes, and rivers.

TRIBE 9.5

The Tribe 9.5 is an affordable, easy-going, great looking sit-on-top that performs terrifically in surf and rough ocean conditions, but is also speedy and maneuverable on flat water and lazy rivers. With side handles built-in, plus additional bow and stern handles, carrying and car topping is a breeze.

EXPRESSION 15.0

Like its smaller sister, the Expression 15.0 offers forgiving handling and stability expected of a touring design with the performance of an expedition kayak. The progressive rocker offers maneuverable handling for confident paddling in tight, technical waters and coastlines, while the slightly larger cockpit and additional length make it a little faster and roomier than the 14.5.

Expedition Kayaks

Push further and see what's beyond the horizon line with our performance expedition kayaks. Built for extended trips and challenging water environments, these boats make accessing your adventures easier than ever.

ESSENCE 16.5

The thrill and performance of expedition kayaking isn't just for experts. The predictable handling of the Essence 16.5 gives novices — especially women or smaller paddlers all the tracking and maneuverability needed for that great expedition in a stable, comfortable package. Drop the skeg and open up a whole new level of excitement that pushes your abilities.

BOAT SPECS- HOW WE GET THEM, WHAT THEY MEAN

WEIGHT

Based on a fully assembled boat including all outfitting. (NOTE: Other companies may not include outfitting in their weight specifications.)

CAPACITY

Field tests determine each model's capacity, with maximum being the greatest load the model can carry and still perform under typical conditions.

DIMENSIONS

Measured at points indicated by the accompanying diagrams.

ROTOMOLDED COLORS

Colors may vary slightly from those shown in catalog. Color combinations (Red/Yellow, Azure/White, Lime/White, Lime/Yellow, Tangerine/White, and Camo) will vary from those shown in catalog and are unique for each boat we produce. Variations in color are not covered by warranty.

Polyethylene expands and contracts with changes in temperature and humidity. Actual dimensions can vary from those shown in the Specifications Chart due to molding process and/or exposure to extreme hot or cold temperatures. Slight variations are not covered by warranty.

Specifications and features are subject to change.
