# RIDE 115X ANGLER

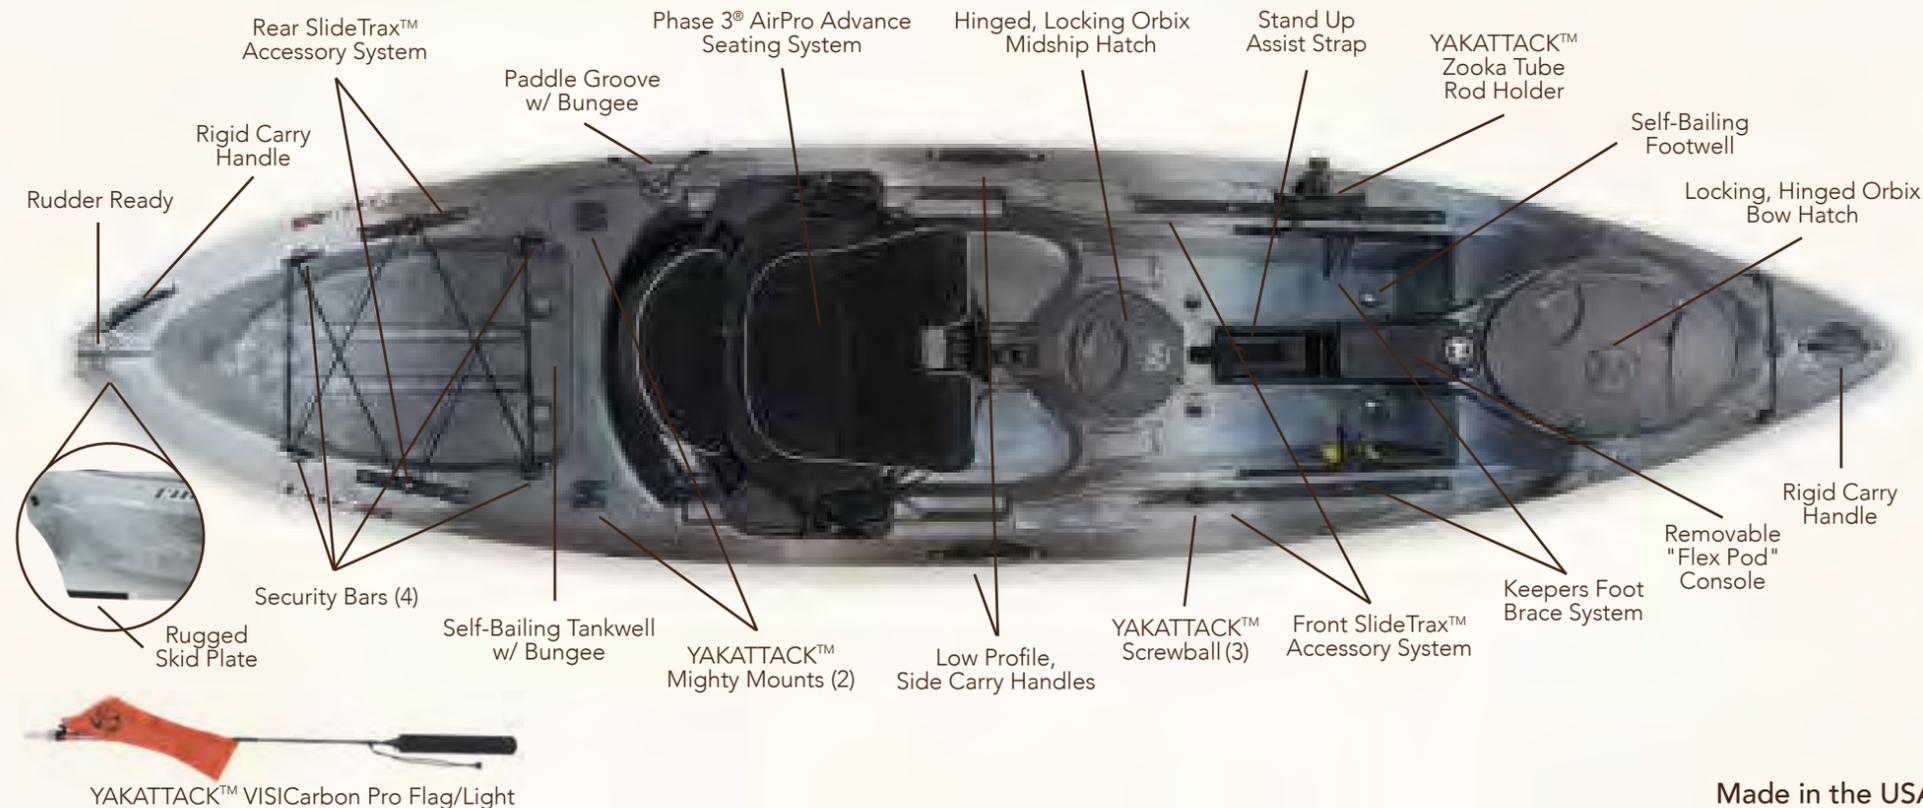

## TAKE ANGLING TO THE NEXT LEVEL

Discriminating anglers want more than outstanding kayak performance – they want a true fishing machine. Enter the Ride 115X, featuring a removable console that consolidates fish/depth finder components (including battery), simplifies installation of electronics, and provides added storage.

The patented Phase 3<sup>®</sup> AirPro seating system, additional mounting surfaces, newly integrated features and rear SlideTrax™ rails maximize rigging options to take your fishing to the next level.

### RIDE 115X

### RIDE 115X ADVANCE

### RIDE 115X ADVANCE ANGLER (SHOWN ABOVE)

### COLORS

"The Ride 115X Advance is my go-to kayak, offering comfort, stability and flexibility. The elevated Phase 3 AirPro seat gives hours of comfort, which means more time spent on the water. I love having the option to add things where I use them most, especially with the SlideTrax rigging and flexible console systems."

BOBBY CLARK  
Wilderness Systems Pro Staff

# RIDE ADVANCE ANGLER

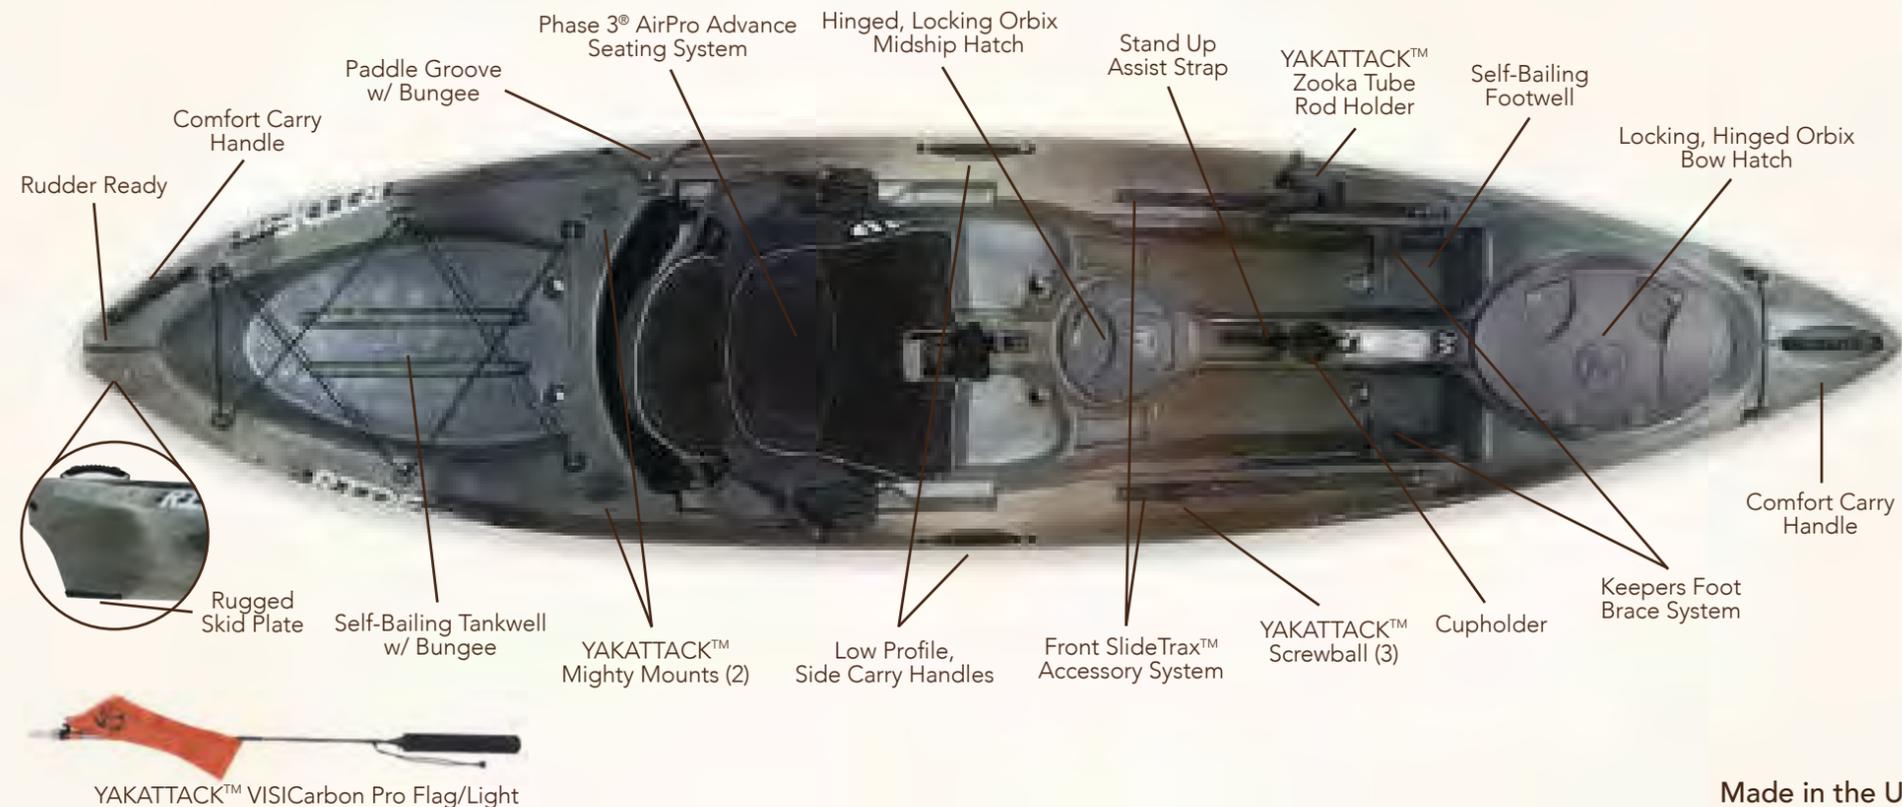

## THE HEIGHT OF PERFECTION

The Ride is kayak fishing's most iconic name for stability, massive capacity and versatile performance. Featuring the elevated Phase 3<sup>®</sup> AirPro seating system with over 4" of increased height over the standard Ride seat, the new elevation reduces the effort required to enter and exit without sacrificing the paddling performance or stability.

Flat surfaces at the rear can be used to attach gear, while a large opening under the leglifter is the perfect storage place for tackle boxes. The AirPro seat includes breathable, ergo-comfort pads, more back support, and improved ventilation.

RIDE 115 ADVANCE ANGLER  
(SHOWN ABOVE)

RIDE 135 ADVANCE ANGLER

### COLORS

"The Ride series of fishing kayaks offers more versatility and rigging options than any other kayak available. Its adaptability improved even more with the introduction of the Phase 3 AirPro Advance Seat which makes standing easier than before. The Ride is the ATV of fishing kayaks and now it comes in two sizes and seating options."

# TARPON ANGLER

## DREAM IT. SEE IT. FISH IT.

For the angler poised to fish all season in all waters, the Tarpon is the ultimate workhorse. Its award-winning design offers both agility and speed to zip from spot to spot, but also the right amount of stability for fighting fish or rough waters.

The intuitive design allows for a wide range of body sizes with easy access to gear and the exclusive Slide Trax™ accessory system to trick out your kayak any way you want. Now featuring the Phase 3® AirPro seating system for added ergonomic comfort and easy adjustability.

# COMMANDER ANGLER

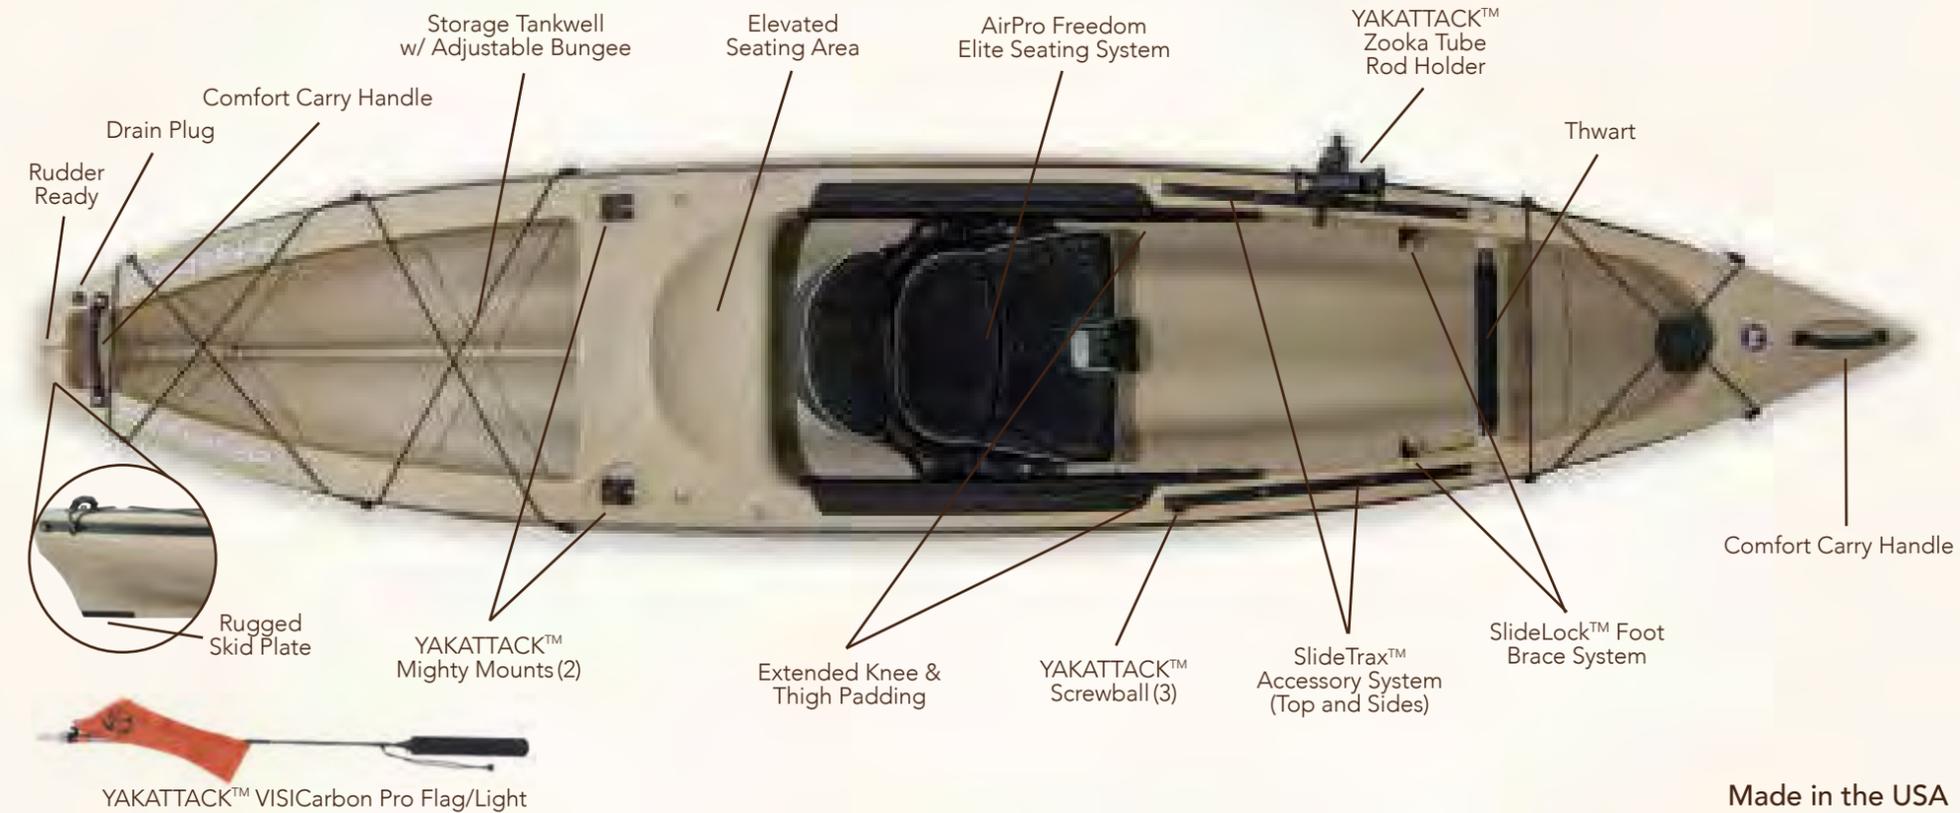

## SIT. STAND. FISH.

The perfect combination of a classic fishing platform and modern outfitting. Built to offer three different positions from which you can cast due to the hybrid sit-on-top/sit-inside design, the pontoon-style hull is wide enough to stand but still offers a burst of speed.

The dual-seating system allows anglers to sit fully on top, and includes the folding, removable AirPro Freedom Elite seating system. Includes a SlideTrax™-ready Scotty rod holder and moveable anchor trolley.

AARON DRYDEN

# PUNGO ANGLER

## FISHING, FASTER.

A kayaking classic, the Pungo Angler is an ideal choice for those who love the benefits of a sit-inside kayak paddling experience with all the storage and rigging options necessary for the serious angler. The multi-chined hull design provides unmatched speed, tracking and stability.

When you're moving from hole to hole, you'll love the dry ride and roomy cockpit with easily accessible rear storage and removable Kayak Konsole for all your tackle. Now featuring the Phase 3® AirPro seating system for added ergonomic comfort and easy adjustability.

All Wilderness Systems kayaks are designed and manufactured in the U.S.A., excluding composite-construction Pro models.

Colors may vary slightly from those shown in catalog. Color combinations (Camo, Desert Camo, Dusk, and Mango) will vary from those shown in catalog and are unique for each boat we produce. Variations in color are not covered by warranty.

Polyethylene expands and contracts with changes in temperature and humidity. Actual dimensions can vary from those shown in the Specifications Chart due to molding process and/or exposure to extreme hot or cold temperatures. Slight variations are not covered by warranty.

Specifications and features are subject to change.

All Wilderness Systems kayaks are covered by a Limited Lifetime Warranty. Some limitations apply. Visit [www.wildernesssystems.com](http://www.wildernesssystems.com) for full details.
