# TEAM DAGGER

It may be their competitive leadership and dedication on the R&D floor that keeps our designs on the cutting edge, but it's their passion for helping and educating others through kayaking and natural resource conservation that truly sets them apart. They are multi-time Green Race winners, world record holders in waterfall descents, and world champion kayakers, but they are also philanthropists and founders in paddling development programs all around the world. Brad's First Descents, Anna's Girl's At Play, and Jason's Active Nature Adventures instruction program are only a few. Closer to home, you'll see them wherever the action is, ready to help everyone get the most out of their experience.

Great companies are more than just great products. That's why we're proud of the people who wear the Dagger logo. Visit [www.Dagger.com](http://www.Dagger.com) to learn more about this incredible group of individuals. To keep up with them on a day-to-day basis, or to post about your own day-to-day adventures, visit [www.TeamDagger.com](http://www.TeamDagger.com).

# FREE RUNNING

### PERFORMANCE FIT SYSTEM 2.0 (PFS)

The intuitive PFS 2.0 system is streamlined for reduced weight and comfort. Multiple tool-less adjustments allow you to leave the wrenches and screwdrivers home. The PFS 2.0 system includes a ratchet adjustable back band, multi-adjustable hip pads, precision adjustable thigh braces, and security grab handles. \* Axiom 6.9 model only

# 2014 SPEC & COMPARISON CHART

BOAT SPECS  
HOW WE GET THEM, WHAT THEY MEAN

WEIGHT  
Based on a fully assembled boat including all outfitting. (NOTE: When comparing, other companies may not include outfitting in their weight specifications.)

CAPACITY  
Field tests determine each model's capacity, with maximum being the greatest load the model can carry and still perform under typical conditions.

DIMENSIONS  
Depths are measured from the highest point on the deck to the bottom of the hull directly under that point.

All Dagger Kayaks are designed and manufactured in the U.S.A. and are covered by a 3-Year Limited Warranty. Some limitations apply and coverage varies during the 3 years for whitewater models. Visit [www.dagger.com](http://www.dagger.com) for full details.

## COLORS

Colors may vary slightly from those shown in catalog. Color combinations (Lava, Octane, Solar, Storm) will vary from those shown in catalog and are unique for each boat we produce. Variations in color are not covered by warranty.

Polyethylene expands and contracts with changes in temperature and humidity. Actual dimensions can vary from those shown in the Specifications Chart due to molding process and/or exposure to extreme hot or cold temperatures. Slight variations are not covered by warranty.

Specifications and features are subject to change.
